weekend!**

Flashcard Clarification

Each time we begin a new flashcard pattern, cards will come home with your child. Some need to be practiced more than others. On Monday, your child will receive the timed test for that week. The test will be on Friday and they get 1.5 minutes. Always practice the flashcards that match the timed test but please keep all flashcards as they will be reviewed throughout the year. Your child will receive their first set of cards today and needs to keep them in the baggie. You can keep it at home. When they get a new set they can add them to their bag. Flashcards is number 7 on the assignment sheet.
