## **Updates**

The letter for this week is A: Ask yourself this question-is my attitude worth catching? The children did well on C.

The dogs and T-shirts have arrived. If you have ordered them for Christmas gifts let me know and I will bag them up and give them to you or you can stop by in the morning and pick them up; otherwise I will put them in a bag and send them with your child. After Christmas they can bring their dogs to school to keep on their desks.

Be sure to get your tickets for the program and send in your child's outfit on Monday, December 12 (that's next Monday). We are praying for a peaceful week!
