## **Updates**

The letter for this week is R: Remember, it takes many good deeds to build up one's reputation, and only one bad one to lose it.

Your child can bring their dogs in for our training. We will begin many activities on the Iditarod these next 3 months. You can go to [www.iditarod.com](http://www.iditarod.com) and read Zuma's Paw Prints and there are many other activities there for kids.

Your children will be bringing some pages home to complete for their memory book. Please have your child fill them out and then put pictures (if you have some) in the boxes. They can draw pictures if you don't have any. They need to be returned by the due date at the top of the paper. They also need to be colored.

It may take a few days to get back into the routine of hard work so we will need some extra chances at getting things completed.
