Habitats and Reports

The habitats and animal reports were very good. They can be picked up in the morning or they can bring them home after school on Tuesday. Your child received a grade for the poster, habitat and oral report. Be sure to check Sycamore for updates and your child's grades.

Oral Report Points:

5-A--knew the information on the poster, talked about the animal, explained about the habitat.

4-B--knew the information on the poster, difficulty in talking about animal, explained habitat.

3-C--had difficulty with information on the poster and animal, explained habitat.
