Workshop Way homework Clarification

Each day your child reads to me the homework sheet from the night before. Fluency (read the way you talk) is important with this homework. Several times reading will help with fluency. If your child misses a word or is sounding out all the words, I will put a dot next to the word and that is where they begin for that night. They don't have to go back to the beginning. Doing one box at a time is the best way to accomplish this. Getting a new workshop paper everyday is not mandatory. We all work at different speeds and we will do better each day. I am impressed with your child's hard work in doing their homework. Keep up the good work and let me know if you have any questions.
