

Hi Everyone,

Now is the time for the holidays and being with our loved ones, whether they be family or friends. May you all have the most wonderful time of the year and years to come.

A Holiday Thought:
The following is something to ponder:

"If you have food in the refrigerator, clothes on your back, a roof overhead and a place to sleep... you are richer than 75% of this world."

If you have money in the bank, in your wallet, and spare change in a dish someplace... you are among the top 80% of the world's wealthy.

If you woke up this morning with more health than illness... you are more blessed than the million who will not survive this week.

If you can attend a religious meeting without fear of harassment, arrest, torture or death...you are more blessed than three billion people in the world.

If your parents are still alive and still married...you are very rare, even in the United States.

If you hold up your head with a smile on your face and are truly thankful... you are blessed because the majority can, but most do not.

If you can hold someone's hand, hug them or even touch them on the shoulder... you are blessed because you can offer a healing touch.

If you can read this message you just received a double blessing in that someone was thinking of you , and furthermore, you are more blessed than over two billion people in the world that cannot read at all."

Have a wonderful season and count your blessing.

Happy Holidays
B.J.
