

Karla M. Gonzales

Professional Bio

Mrs. Gonzales works at St. Charles Borromeo School because of the positive attitude that the Principal and Vice-Principal have towards a Spanish program for their students. She is beginning her 6th year of teaching Spanish. Her other fields of experience have included Vocational Counselor, Substitute teacher, Secretary, and Mother (her favorite). She has an Education and Social Work Degree from New Mexico Highlands University. She loves teaching Spanish! She thinks it is important for young children to learn to love Spanish. Therefore, she plans additional classes in Spanish to enhance her teaching career.

Educational Philosophy

Mrs. Gonzales believes education is a journey. When we are young, our parents guide us on our journey from K-12, then college is the journey we take that helps us to grow and develop a future for ourselves. Continued Education is the journey of a lifetime of growing, learning and becoming a better person.
