

“Whoever welcomes one of these little children in my name welcomes me; and whoever welcomes me does not welcome me but the one who sent me.” Mark 9:37

## Welcome to Mrs. McBride’s KA

I am so very excited to start another year here at St. Charles! It is my pleasure and privilege to teach your child this year. I know that we will have a fantastic year, and that your student will grow in many ways! Not only will we strive to grow academically, but socially and spiritually as well.

Our classroom will promote a climate of love, acceptance, and safety. Every child’s right to learn will be respected. I believe that every child can become a lifelong learner. Kindergarten is the perfect foundation to ensure that learning continues for a lifetime.

I am sure that you have many questions about routines and procedures. You can expect to receive a handout at Orientation that will provide you with information on how you, as parents/guardians, can assist your child with this exciting first step. I look forward to working together, as a family, to create a successful educational experience for your child! Thank you for this opportunity!

Sincerely,

Angela McBride
