

Josephine Medrano

Professional Bio

Ms. Medrano has been teaching pre-school through 2nd grade since 1988. She holds a BA in Elementary Education, a Master's degree in Curriculum and Instruction with an emphasis in Reading and a Catechist Certificate. She is also a member of NCEA.

Educational Philosophy

Every teacher has a professional responsibility to students and parents in the educational process to ensure we are providing a good education. Ms. Medrano feels a teacher should provide opportunities for each child to have successful educational experiences. She believes teachers need to meet the needs of each student. As a teacher, she wants to challenge students to think critically and become problem solvers.
