

Kathleen Mulhern

Professional Bio

Mrs. Mulhern has been teaching since 1990. She holds a BS in Elementary Education and has completed additional coursework in Speech Pathology. She belongs to the local and state chapters of the International Reading Association. Before teaching, Mrs. Mulhern worked in the wholesale grocery business and as a legal assistant.

Educational Philosophy

Mrs. Mulhern's philosophy of teaching is that she constantly needs to be aware of what a profound and lasting effect she has on the life of a child. This includes the information she hopes they will learn and how she models kindness and compassion in her interactions with others.
