

Clara Reid OSU

Professional Bio

Sister Clara has been teaching since 1960. She has a BS and a Master's degree in Education. The educational associations she belongs to are the NCEA, CRCIRA and the NMIRA.

Educational Philosophy

Education is a life long process. The learner will have success when he/she is given the right tools at the right time. They will receive skills and knowledge that they can build on or they go through the process of learning and becoming successful in life.
