

Pick Good Books!

Summer Reading Log 2009

4th and 5th

You must pick books which are fiction or nonfiction and are more than 100 pages long. Books with short stories or anecdotes do not count. It is important that you read a minimum of 45 minutes per day uninterrupted.

It does not count if you read 25 minutes at one time and 20 minutes at another time.

Sustained Reading is important and helps you develop good reading skills such as focus, concentration and better comprehension. It also helps to build vocabulary. As you read and come across words you don't know, look them up so you will understand what is being said. Don't just skip over them. Have fun!!

"Those who can read but don't, are worse off than those who can't read!!

" A summer spent reading is time well spent - a bargain, all things considered."
